

Economic impact or damp squib?

“£55bn - £79bn over 10 years”

Supporting Document EE: Economic Impact of Recommendations, page 3

“high degree of uncertainty... estimate not absurd but subject to debate and further discussion...” - *Professor Ian Hargreaves, questioned by the CMS Committee, 8 January 2013, retreating from original estimate*

“£0.5bn - £0.79bn over 10 years”

Modernising Copyright: A modern, robust and flexible framework

A nearly 100% reduction in estimated growth.
